

# Tribute Gifts

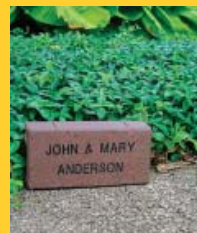

The OSU Botanical Garden invites you to create a lasting memory to honor or remember your family, friends or organization.

Dedicate a Tribute Brick to commemorate a special person or life event. A 4" x 8" engraved brick will become a part of the new garden pathway, the first installation of a fully accessible trail system through the gardens and arboretum. The inscription can display up to three (3) lines. Orders are taken throughout the year, however, tribute bricks are placed in the garden pathway twice a year.

Dedicate a tree in honor or memory of someone special. Choose from a list of existing trees the Arboretum has available for dedication. Tribute trees vary in species and location on our grounds. All Tribute Trees have engraved tree-labels, stating that the tree stands in honor or memory of a special friend or family member.

Our Tribute Benches complement garden settings and trail walkways, and create an opportunity for visitors to sit and enjoy the surrounding beauty. An engraved name-plate dedicates a specific bench in honor of your friend or family member. Benches are guaranteed for ten years, and can be renewed for another ten years thereafter.

For a gift starting at \$10,000, a section of a walking trail or a garden can be named in honor or in memory of an individual or special event. For more information, please call 405-744-5404.
