

Turkmenistan women milking a camel. Camel milk is allowed to age/ferment in two-liter pop bottles.

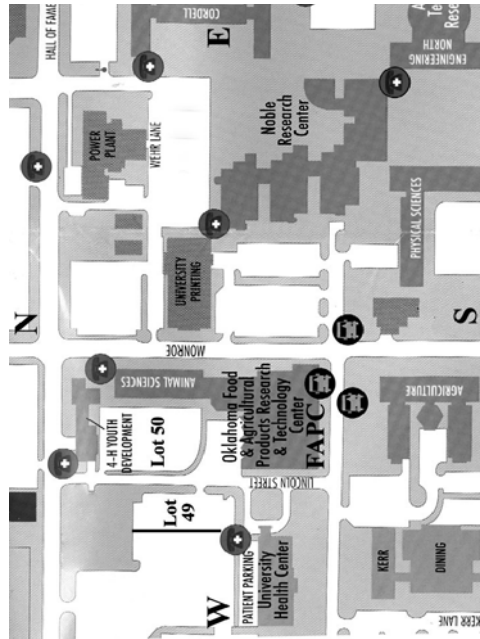

Agriculture in Turkmenistan

- Over 80% of the country is covered by the Karakum Desert
- Cotton and wheat commonly grown
- Also citrus, olives, figs, sugarcane, etc.
- Almost all crops have to be irrigated
- 9.7" rainfall/year
- 114°F to 23°F in the winter

Online Registration

Register Online thru OSU Marketplace:

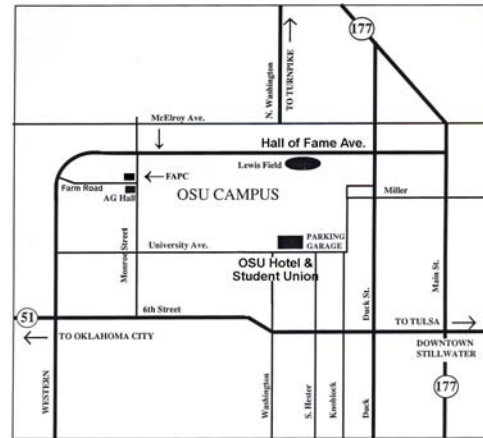

<http://orangehub.okstate.edu/ustores/web/index.jsp>

- Click on the "Horticulture/Landscape" Store
- Select "Conference Registration"
- Select "Global Horticulture"

Parking

Parking Lots 49 and 50 are available for parking. You will receive a parking permit (provided with registration) to be placed in your vehicle after checking in at the registration table. **Due to campus construction, parking spaces are limited so plan to arrive by 8:00 A.M. to improve your chances of finding a parking space.**

Paid parking is also available in the new parking garage. Entrance is 1/2 block north on Monroe from Hall of Fame and Monroe Streets.

Please detach this section and return.
Early registration postmarked by November 21 - \$75 includes lunch. OBGAs members, County Extension Educators, and Master Gardeners' rate is \$50. If you need more information, call Stephanie at 405-744-5404 or email: stephanie.larimer@okstate.edu.
